# Business card information scanning service

---

# Business Card Scan Survey Plus

The screenshot shows the 'Questionnaire List' app interface. At the top, there's a red header with a back arrow, the title 'Questionnaire List', and an 'Edit' icon. Below the header, there are two text input fields: 'Title' (containing 'Survey Sample 1') and 'Description' (containing 'Explanation for survey'). Below these fields, there's a section titled 'Are you satisfied with the exhibition today?' with the label 'Mandatory question'. It contains five radio button options: 'Very satisfied', 'Satisfied', 'Normal', 'Unsatisfied', and 'Very unsatisfied'. Below this, there's another section titled 'Please explain in details your answer for question 1.' with the label 'Mandatory question'. At the bottom, there's a red button with a right arrow and the text 'Share Question QR'.

- One application per exhibitor.  
(Individual co-exhibitors may apply separately with pavilion organizer approval.)
- No limit on the number of staff assigned for scanning per exhibitor.
- One survey creator must be designated in the Exhibitor My Page.
- Multiple survey forms can be created.  
Different forms may be used for different products.
- Created surveys can be shared with on-site scanning staff.
- Survey data can be downloaded from the Exhibitor My Page, together with business card data.

\*After registration, survey access will be provided within approximately one week.

\*For survey creation instructions, please refer to the "How to Use FOODEX App" in the "Exhibitor's Manual" on your Exhibitor My Page.
